CV

- I was born April 18, 1988 in St. Elizabeth's Hospital in south Lincoln.
- I've lived in Lincoln, Kansas City, and Manhattan
- I am a Master's Student in Statistics and I hope to work somewhere in Finance with machine learning. If I stop with a Master's, I will graduate May 2021. If I go on, God only knows how long I'll be in school.

CV

Here is my favorite graph from this class. It is an analysis of the sentiment in the Edgar Allan Poe poem "The Raven" by stanza. It took a lot of code to get here, but here we are.
